

## **Coca-Cola is Opening Happiness in Vegreville!**

Come cheer the torchbearers from your neighborhood then join us at the midday celebration!

- Coca-Cola Recycling Trailer that has travelled across North America promoting the Live Positive message ([www.livepositive.com](http://www.livepositive.com)) This is a website designed to educate people on the Coca-Cola commitment to sustaining the environment and Community
- This trailer is designed to educate customers and communities to implement Give it Back, a recycling program that raises awareness about recycling and provides the tools to promote and facilitate recycling- a recycling machine shows the process of recycling RPET into another bottle or into clothing- as per our uniforms which are made out of RPET
- A recycling jeopardy game will have attendees playing an interactive game for prizes answering recycling trivia and getting a chance to learn more!
- We will be sampling Coca-Cola and Coca-Cola Zero out of our sampling tent where high fives, smiles, dance moves will get you a commemorative bottles (1 each)
- Our Green Team will be handing out 100% recycled provincial and Canada flags- a big hit with the crowds and definitely amazing to see the flags waving when the Flame arrives!
- An interactive drum tower where anyone can step up and drum their hearts out!!! Drummers from the Happiness stage show will come out early in the celebration before the show starts and get crowds dancing in a Happiness drum circle- always a treat!

Don't forget to help the Vegreville Celebration Green Team by recycling - remember if you're not taking your bottle home 'Give it Back'.

The countdown is on. When the Olympic Torch Relay reaches Vancouver, the Games will begin!
