

Town-owned playgrounds closed

MARCH 26, 2020

Effective immediately, all Town-owned playgrounds have been closed until further notice. The Town of Vegreville made this decision as part of our ongoing efforts to protect public health amid the COVID-19 pandemic.

As per the Government of Alberta's recommendations, parks and green-spaces will remain open for careful enjoyment. If you visit our parks, please follow the Province's restrictions on gatherings and practice social distancing, keeping a minimum of 2 metres between yourself and others. However, we ask that if you can, that you remain at home.

We continue to monitor the COVID-19 crisis with extreme diligence and will inform residents as matters affect our services.

Updates, resources, and more information on COVID-19 can be found here: <https://www.vegreville.com/town-services/public-safety/covid-19>

Updated - March 26, 11:34 AM, this closure includes all playgrounds in Vegreville, including the school-owned playgrounds.
