Vegreville Council approves opening of Spray Park and Fitness Centre with restrictions

JUNE 23, 2020

At the regular Council Meeting on June 22, 2020, Town Council approved the Lion's Club Community Spray Park to open with restrictions on Friday, June 26, and the Fitness Centre to open with restrictions on Monday, July 6. The Aquatic Centre, Social Centre, Multiplex, and the Wally Fedun Arena will remain closed until further notice.

User guidelines outlining the restrictions for all open Town facilities are being updated to account for the changes that came into effect on June 12 as part of stage two of the [Province's Relaunch Plan](#) and will be made available to residents on our [website](#) in the coming days.

Phil Rowe, the Town's Community Service Director said, "We know that residents are eager to access all of our facilities during the summer months, especially when kids are out of school, but the Provincial guidelines that the Town has to follow puts a significant strain on our resources. We're opening the Splash Park and Fitness Centre because we can do so in such a way that ensures the health and safety of all residents, staff, and visitors."

To learn more about the restrictions that will be in place at the Spray Park and Fitness Centre, Vegreville's Municipal Relaunch Plan, and all other Town-COVID related information, please visit www.vegreville.com/covid-19.
