

2017 Central Recycling Drop-Off Centre Survey Results

INFRASTRUCTURE, PLANNING &
DEVELOPMENT DEPARTMENT

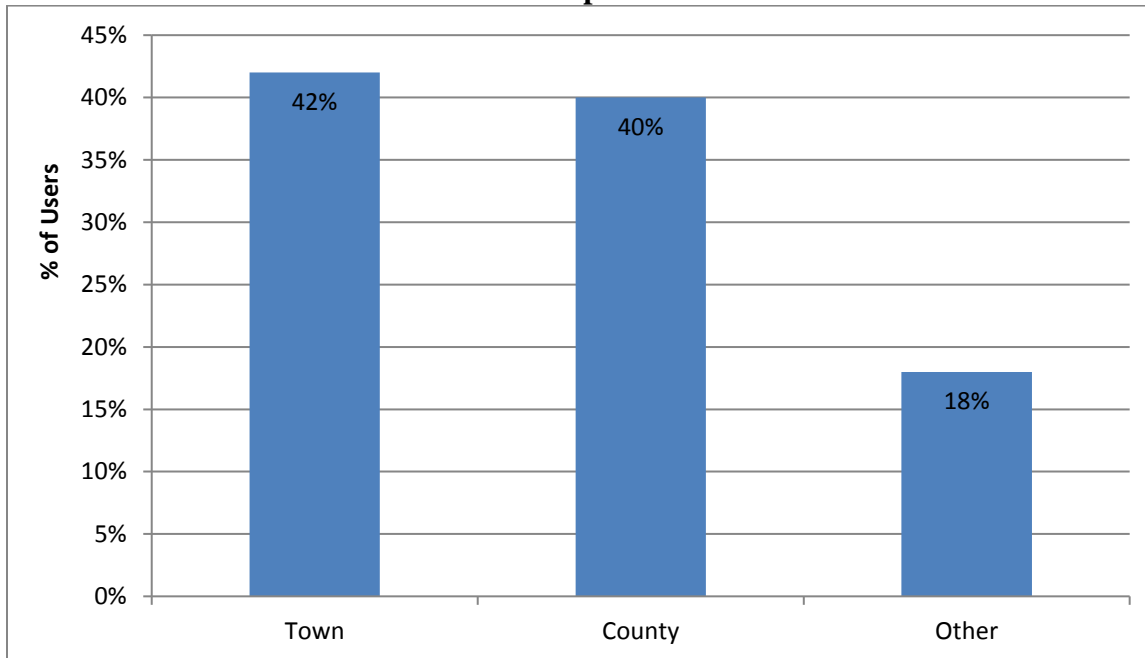

Brianne Giles
9/27/2017

The Town of Vegreville Utilities Department conducted surveys of users at the Central Recycling Drop-Off Centre on August 2, 8, 14, 22, 28 and September 5, 8, and 12. There were 114 surveys completed. The surveys asked the following questions:

1. Where do you live?
2. If you are a County Resident, would you be in favour of the County contributing financially to the Town's Recycling Program?
3. How often do you use the facility?
4. What do you like about the Town's Recycling Program?
5. What would you suggest we do to make the program better?

Central Drop-Off Centre Users

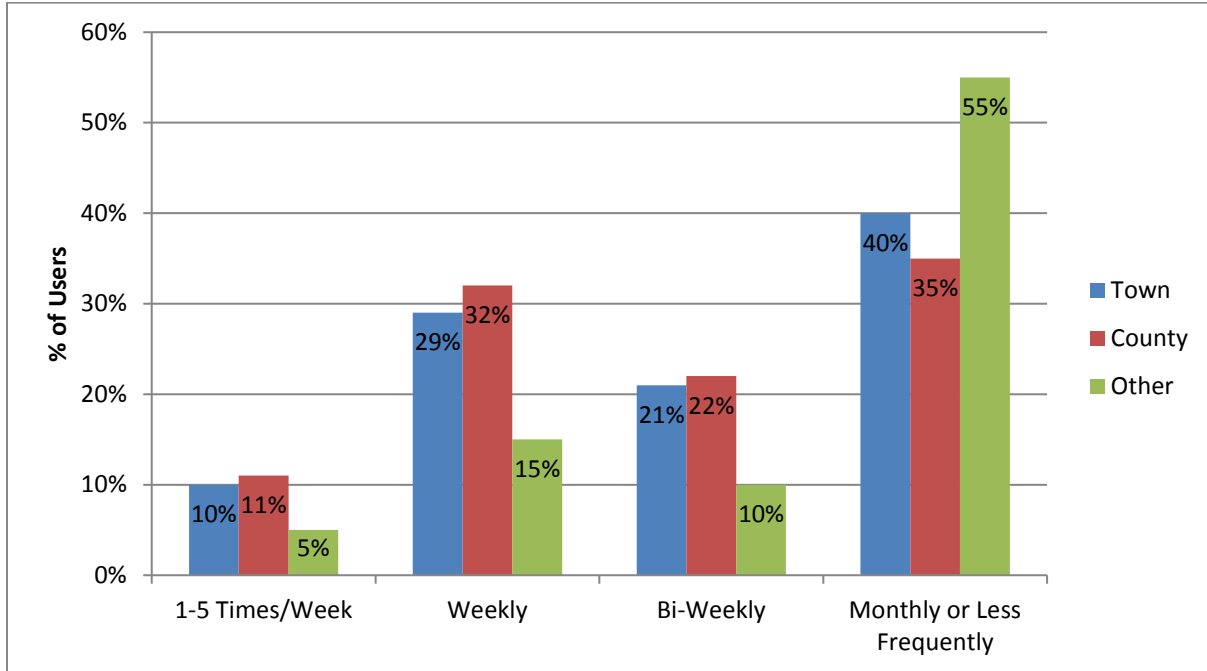

The other category includes Beaver County, Mundare, Lamont County, Two Hills County, and one from Saskatoon.

Survey Users by Area

- 48 Town Residents
- 46 County Residents
- 20 Other Residents

This table shows the frequency of usage of the survey respondents.

SURVEY COMMENTS & SUGGESTIONS

Town

- “Have a way to prop open lids”
- Conduct more Household Hazardous Waste Roundups
- “Garbage bins”
- Styrofoam recycling
- A place at the Central Drop-Off for paint, e-waste and batteries
- Curbside pickup

County

- “Get the County to pay its fair share”
- “We wouldn’t recycling without it”
- More blue bins in outlying areas such as Brookwood Estates

Other

- Get a drop off in Viking

CONCLUSION

Overall, respondents are happy with the Town’s Recycling Program, the cleanliness and convenience of the Central Drop-off.

Of County users, 91% (42/46) were in favour of the County contributing financially to the Town’s Recycling Program.
